Vice-President:

Wed. Feb 1 Maple Dale Country Club, Dover

Chatty announced that our schedule of eateries for 2017 are set up and contracted. We will be going to Grotto Pizza 5 times, Maple Dale 5 times and Chinatown Buffet 2 times. A show of hands on Chinatown Buffet came back with the results of 3 to 1 against going back there next year for meetings. Chatty will start his search for another restaurant that can hold 90 or more people on a Wednesday night.

Secretary : Message from your Secretary: I would appreciate any pictures forwarded to me from events I either cannot attend or did not get pictures of..... So many of you take pictures and it would be nice to share them online. Thanks. And don't forget to sign in at each meeting. I keep attendance reports and want to make sure no one is left out.

The FSCC Meeting was held Wednesday January 4, 2017 at Grotto Pizza in Dover, DE . President Gordon English called the meeting to order at 7:15pm.

Membership: We currently have 242 members.

Corresponding Secretary - Anyone knowing of a member that is ill or had a death in their family, please let one of the officers know so we can relay the information to Tracy for sending out Club Cards.

Public Relations / Publicity: - Nothing to report

Quartermaster Sandy now has long sleeve t-shirts in stock, and a full supply of t-shirts, hats, visors, flags, window stickers, etc. Stop and browse. Pete has large logo patches for \$15 and umbrellas for \$15. There are also FSCC Sweatshirts in Navy Blue with our logo. Costs are \$25-\$35. He is also taking orders for photo transfer items. You can take your Corvette picture and have it placed on a t-shirt, hat, whatever. Pete also had samples of coffee mugs, club license plates, and a wall clock.

Parade Chairman: *Looking for a volunteer.* We only attend 6 or 7 parades a year so it is not a demanding job. Talk to Jeff Ortiz about the duties and volunteer.....

- March - Dover's St. Patrick's Day Parade
- May - Dover Days Parade
- July - Dover's 4th of July Parade
- Oct - School's Homecoming Parades
- Nov - Dover's Veterans Day Parade
- Dec - Dover's Home for the Holidays Parade

National Corvette Museum - Jim Murray gave a brief synopsis of the Museum, its location and what is around the area as well. These monthly reports will be posted on the new website when it is up and running. www.corvettemuseum.com

Corvette Racing Report - Michael Jackson Waal has given us a racing schedule for this upcoming racing season and it will appear on the new website when it is up and running. For tonight, we got a report on current happenings and I will attach his report to this newsletter. www.corvetteracing.com

Mike also wanted to let members know that the National Corvette Museum will be hosting a viewing of the **24 Hours of Le Mans** Race in June - something that is only done at a few places. Mike and Linda are going, and anyone else wanting to go, contact Mike.

Committee Reports

Car Show Committee - Chatty reported that the car show committee is settling the last few items necessary to have a great car show in September at the Pizzadili Winery. The next meeting will be Tues Jan. 17th, 612 Mary St. in Dover at 6:30. All are welcome to bring your ideas.

Executive Committee - Gordon has instituted quarterly meeting with his officers and the next will be at 5pm, before the meeting at Maple Dale on Feb. 1st. This is for current officers and past presidents.

Christmas Committee - Diane reported that comments coming back about the party have been very favorable so far. Next year's party will be chaired by Ann Witt so any comments or suggested should be aimed at her. Thanks to the Christmas Party Committee again for a great party.

Past Events

Habitat for Humanity - In December we had quite a few members help with building a portion of a house for Habitat in Dover. Gordon says this is a fulfilling endeavor and we will be looking to do the same again next year. Possibly warm weather.

Old Business

New Business

Revealing the new website - Secretary Donna Ballard and web assistant Steve Kane gave a brief showing of the new website. Our old site was dated and getting harder and harder to update. This new site is user friendly, full of new functions and pictures galore. We are still trying to get the old website removed from the internet so we can use our old domain name, so it will be a little while longer before you can spend your rainy days browsing through all the new features. Any suggestion of changes or additions should be sent to Donnas email. Thanks.

Good of the Organization

Guest Matt Kersey spoke briefly to express his interest in the Corvette Club and all the things he hopes his dealership can do for us. And visa-versa. A racing fan himself, he is interested in our racing reports and loves to talk about anything racing. He invites any member to stop in and chat.....he'll be sorry...

Code Purple - Jim Murray reported that the Code Purple area shelters are looking for drivers to pick up the homeless and deliver them to a shelter near them, and volunteers to staff the shelters in shifts like 4-12pm and 12-7am. New volunteers are always staffed with a seasoned veteran on how to handle residents. For more information, contact Jim or a local Code Purple site.

Code Purple is a statewide movement that helps people who are homeless find a place of refuge or shelter when winter weather conditions become too dangerous for individuals or families to remain outside. Code Purple sites are staffed by trained volunteers and typically are located at Houses of Worship (churches) and targeted shelters that provide a safe, warm and short-term shelter which can last up to 24-hrs.

Member Don Hammond has been diagnosed with cancer. He will start radiation on Jan 23 for 41 treatments. He was given a bone scan to see if the cancer had spread to his spine, and it HAD NOT..... he is scheduled for surgery on Jan 18 for a herniated disc (C6-C7). Remember him in your prayers in the upcoming months. Wishing him the fastest recovery.

Drop him a card once in a while and brighten his day. Don Hammond

Townsend, DE 19734

VIR again - End of June - Norm reported he is putting together another Charity Ride around VIR like the last one. More info to come.

2019 - 25th Anniversary at the Museum -

Chatty is still working on plans for a Caravan to Bowling Green in 2019 for the Anniversary. This will be Labor Day Weekend. He has blocked off rooms already in the same place the group stayed on the last trip.

Any Member wanting one of the window plaques should contact Rick Berry at berry9598@comcast.net with the information on your car.

Motion made and seconded to adjourn the meeting.

*Meeting Adjourned at 8:25pm
Respectfully Submitted,
Donna Ballard, FSCC Secretary*
